# THE HIGHLIGHT OF **EVERY WSU SPRING**

WASHINGTON STATE UNIVERSITY  FOUNDATION

# You Create **Generational Impact**

The highlight of every spring is seeing Washington State University graduates cross the stage and take their first steps toward new careers, research opportunities, and graduate studies as Cougar alumni.

## **Your role in this moment can't be overstated.**

WSU graduates step out into the world with confidence, knowledge, experience, and passion. That doesn't happen by accident. Our students see the impact of your generosity every day, from the scholarships that made their journeys possible; to the events and activities where they built lifelong friendships; to the studies, projects, and experiences that shape their futures.

As annual leadership donors, President's Associates pave the way for the programs, support systems, and opportunities that make WSU unique—especially those like you who have a history of supporting multiple areas.

**In honor of the class of 2018, will you consider making an additional gift today to support WSU? Your investments in our students will have an impact for generations to come.**

Go Cougs!
