

Dear [NAME],

Your gift last year to Texas Tech University has made an immeasurable difference in the lives of students like me. **From the bottom of my heart, thank you. Your gift to the college has been put to work, providing my fellow classmates with life-changing opportunities and equipping each of us with the skills for lifelong success.** One day, I plan to give back to my alma mater and extend the same opportunities to the next generation of Red Raiders.

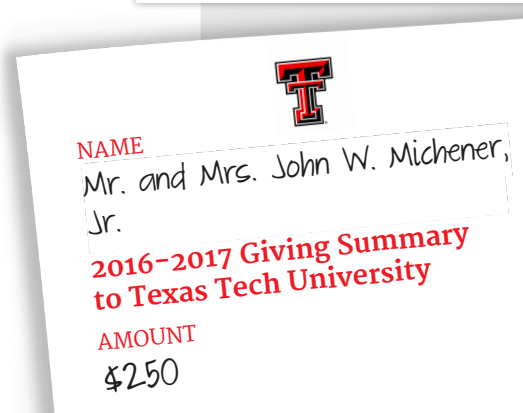

Texas Tech University continues to cultivate critical thinkers, ethical leaders, and world-class problem solvers through immersive courses in history, the humanities, the sciences, and so much more. In our efforts to develop talent and ideas that change the world, we need your support. Texas Tech continues to climb in the rankings, but alumni support plays a critical role in further enhancing our status as a Tier One University. In fact, the US News and World Report prioritizes alumni donations when considering our ranking. **Your gifts directly enhance Texas Tech's prestige and national reputation for excellence.**

A gift to Texas Tech University is an investment in the bright futures of students like me. **Please consider renewing your gift by filling out the information below and returning it in the enclosed envelope.** Through your annual contribution, you will not only make a difference in the lives of today's students, but you will also impact the university for generations to come.

Sincerely,

Anna Zimmerman  
Senior, Political Science Major

Dear [REDACTED]

Your gift last year to the Texas Tech University College of Arts & Sciences has made an immeasurable difference in the lives of students like me. **From the bottom of my heart, thank you. Your gift to the college has been put to work, providing my fellow classmates with life-changing opportunities and equipping each of us with the skills for lifelong success.** One day, I plan to give back to my alma mater and extend the same opportunities to the next generation of Red Raiders.

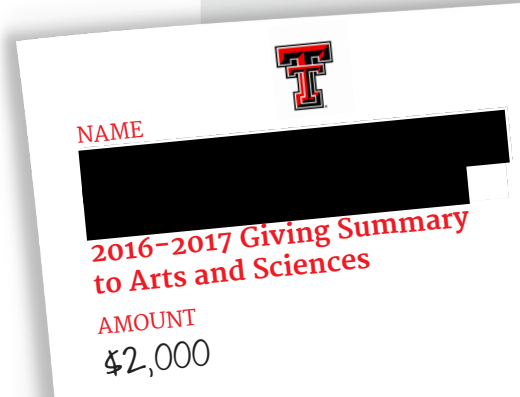

The College of Arts & Sciences continues to cultivate world-class writers, thinkers, and problem solvers through immersive courses in history, the humanities, the sciences, and so much more. Our college has some of the most remarkable programs in the country. For instance, our Mathematics Graduate Program is ranked 18th in the nation, and our Philosophy MA Program is among the top 12 in the nation. In addition, Forbes ranks Texas Tech 7th in its list of "Best Colleges for Women and Minorities in STEM." We could not have made it here without you. **In our efforts to continue to develop talent and ideas that change the world, we need your support.**

A gift to the College of Arts & Sciences is an investment in the bright futures of students like me. **Please consider renewing your gift by filling out the information below and returning it in the enclosed envelope.** Through your annual contribution, you will not only make a difference in the lives of today's students, but you will also impact the college for generations to come.

Sincerely,

Dear Mr. Rickard and Mrs. Hedgecoke Rickard,

Your gift last year to the Texas Tech University Edward E. Whitacre Jr. College of Engineering has made an immeasurable difference in the lives of students like me. **From the bottom of my heart, thank you. Your gift to the college has been put to work, providing my fellow classmates with life-changing opportunities and equipping each of us with the skills for lifelong success.** One day, I plan to give back to my alma mater and extend the same opportunities to the next generation of Red Raiders.

The Whitacre College of Engineering has an international reputation for generating industry-ready graduates, and every gift from alumni helps to cultivate future leaders in the engineering industry. From developing self-repairing transportation infrastructure; smart cities; medical advancements; and alternative energy methods, to improving unconventional oil and gas recovery; clean water distribution; and engineering bio-inspired processes, Red Raiders are at the forefront of regional, national and global solutions. But these innovations are only possible through the support of alumni like you.

A gift to the Whitacre College of Engineering is an investment in the bright futures of students like me. **Please consider renewing your gift by filling out the information below and returning it in the enclosed envelope.** Through your annual contribution, you will not only make a difference in the lives of today's students, but you will also impact the college for generations to come.

Sincerely,

Paul Paloma  
 Senior, Civil Engineering Major
