

EDUCATED HERE. EMPLOYED HERE.

Every day is homecoming!

THANK YOU FOR SERVING YOUR ALMA MATER

Like you, I am also a UCF graduate. You and I are part of a group of **more than 2,150 proud alumni** who give back to UCF every day as employees of our great university. Did you know that 35 percent of all full-time employees here at UCF are also alumni? **Your double affiliation sets the example of excellence** bringing a strong sense of pride and perspective, **making you a valuable part of the UCF community.**

In celebration of Homecoming 2019, we'd like to show our appreciation for all you do. Below, please find the links to digital wallpaper designs for your computer and cell phone. We hope you will display these proudly all year long, but especially **October 14-19, 2019**, as we celebrate **Homecoming Week**. Take a photo alongside your computer proudly displaying your "**Educated Here. Employed Here.**" design and post it to social media using the hashtag **#EveryDayIsUCFHC**.
