

Who could have ever predicted that a global pandemic would prevent anyone from completing their college education?

For many AIC students, the barriers they face in the shadow of COVID-19 are more than they can overcome.

**This is your golden opportunity.**

**THE GOLD**  
**STANDARD**  
A GREAT WAY FOR **AIC ALUMNI** TO GIVE BACK

# JOIN GOLD

## AIC Graduates Of the Last Decade Society

When you join **GOLD**, you can make a difference for the next generation of AIC alumni by lending a hand to students in support of access, opportunity, and diversity.

The **GOLD** Society consists of young alumni just like you who pledge to make an annual donation for at least five years.

It doesn't take much. In fact, many **GOLD** members have chosen to donate an amount that honors their class year. **So, Class of 2020 alums might make an annual pledge of \$20.20!**

Every gift, no matter how small, makes a huge collective impact. Your donation, of any amount, empowers AIC to continue its mission to prepare students for personal fulfillment, professional achievement, and civic engagement through experiences that transform lives.

## Yellow Jackets stick together.

[aic.edu/gold](http://aic.edu/gold)

**99%**   
**of AIC undergraduate students**  
received financial assistance. That's why **we need the support of Alumni like you** so that we can continue the tradition of Yellow Jackets helping Yellow Jackets.

**DID YOU KNOW?**

### Double your impact!

You can multiply your generosity and the impact you make on AIC with an employer's matching gift. Learn more by going to **[aic.edu/duo](http://aic.edu/duo)**.

No matter where life takes you, as a **GOLD** Society member, you will stay connected to and support the AIC community and be recognized as a Yellow Jacket for life!

## Plant the seeds of hope.

Your gift will make it possible for AIC students to continue pursuing their education, rekindling their hopes for a bright future.

For instance, the Student Auxiliary Aid Fund (SAAF) and the Student Emergency Fund (SEF) are two ways that you can immediately help to significantly impact the student experience.

These funds go a long way toward helping provide things like laptops and internet access for remote learning, or can offer whatever funds are necessary for a student to remain enrolled at AIC and earn their diploma.
