African American Graduate Association

**WHY YOU
MATTER**

UNCW IS CHANGING... AND YOU ARE A MAJOR PART OF THAT!

Your generation and generations before you of African American and black students paved the way for a more inclusive and accessible experience at UNCW. Our thriving African American cultural center brought 2019 in strong with engaging campus events serving our black student enrollment of 1,400 and counting. Since 2016, the number of black student organizations has grown from 3 to 14 with Zetas, Alphas, and Sigmas being the largest.

The future is bright, and we need alumni like you more than ever.

Donors like you, and others who dedicate their time, strengthen our community. A powerful way to make an impact is to serve as an African American Graduate Association (AAGA) Steering Committee member.

Please join us at one of our interest meetings at a local restaurant (our treat!) to learn more about AAGA and becoming involved. Seats are first come, first served and if they fill up, please reply to this email so we can set up another opportunity to discuss your involvement.
