Why donate every month?

Monthly giving donors provide us with regular, predictable charitable support for the funding of areas on campus that are important to the education of our Western students. It also enables you to budget your charitable giving by spreading your donation throughout the year. You may alter or cancel your monthly gift at any time.

Consider making a gift to Western through your Will

Gifts of all sizes make an extraordinary difference. Our team is available to help you with sample language for your Will and to discuss options. Call 519.661.2111 or toll free 1.800.423.9631. Contact Jane Edwards, ext. 88829, jane.edwards@uwu.ca, or visit giving.westernu.ca/ways-to-give/planned

Our promise to you

Personal information provided will be updated on our database and used to provide a charitable tax receipt, and to communicate with you about events, activities, alumni programs, and fundraising opportunities. At any time you can request that your personal information cease to be used. We get knocked down. We get back up.

Stronger. Faster. Better than before.

Our teams have achieved unparalleled success at every level, navigating obstacles with unwavering commitment and dedication.

Things will be different this sports season, but our Western Mustangs are still working hard. With innovative training methods and a robust return-to-play plan, we are preparing for a fierce comeback. When it is "game on," we will be ready to make you #purpleandproud. Our teams are utilizing cutting-edge technology like the Kinduct digital platform, which allows for data-informed training advancements and precise conditioning routines. Technology like this is made possible because of donor support. As we look forward with commitment and drive, we recognize that donor support is more important now than ever before. By investing in the Adopt A Mustang program you provide the LIFT our student-athletes need to excel despite any obstacles they might face.

Your donation is an investment in:

- Best-in-class training technologies and conditioning methods to build our future champions.
- Top-rated equipment to ensure exceptional performance and protection.
- Expert coaching and mentorship resources to lead our student-athletes through uncharted times.

Our student-athletes are in. Our coaches are in.

Are you in?

Lift student-athletes by making a donation today.

"Being a student-athlete has been an amazing opportunity. Not only do I get to study here at Western, but I get to play the sport I love. This support gives us an advantage to compete at the highest level, and it not only helps us focus on athletics, but on academics as well."

Brooke Richards
Student-athlete

"Sport at this level helps develop these athletes into problem solvers, collaborators and team builders, and provides the opportunity for the development of great citizens and leaders. Student-athletes build respect and responsibility for themselves and others. I'm proud to be an Adopt A Mustang donor."

FROM THE DESK OF

Christine Stapleton

Dear [first name],

Mustangs supporter, you understand the value of student athletics. Being a Western Mustang is about more than just competition, it is about teamwork, leadership, and resilience.

As the Director of Sport & Recreation Services, I am grateful for our alumni and donor community. Your past commitment has been instrumental in helping us develop our players and athletic program.

This past year we saw many teams go deep into the playoffs. Our Men's Lacrosse team won the national championship, and our Women's Rowing, Men's Rowing, Men's Squash, Women's Softball and Men's Tennis teams all won provincial championships. In all, 20 Mustangs teams were OUA medal finalists.

Despite the current circumstances, we are working hard and preparing for the upcoming year, which will include regular training sessions and exhibition play, as permitted.

With ongoing training comes ongoing expenses. Your gift to the Adopt A Mustang program will allow us to support our student-athletes by enhancing our Kinduct digital strength and conditioning system, upgrading equipment to meet training needs, and providing support for our coaches. New this year, we have two coaches who are participating in the inaugural U SPORTS Female Apprenticeship Coach Program. It is with your support that we can fund more innovative programs like these.

In addition to honouring scholarship commitments to student-athletes, Western is committed to caring for and investing in our students to ensure their overall well-being. You can be part of our support team by making a one-time or monthly gift to Western today. Your generosity will ensure our players can continue their athletic and academic pursuits with confidence.

Sincerely,

A handwritten signature in purple ink that reads 'Christine Stapleton'.
