**Happy Anniversary,
<Salutation>!**

<Salutation>,

Your generous gift of <\$last gift> in <month> last year has empowered our best and brightest students to achieve amazing things for themselves and for our future. Because of your help, our students are training to become tomorrow's scientists, astronauts, aviators, explorers, and engineers.

From empowering faculty research to enabling students to put learning into practice around the globe, gifts like yours help provide the hands-on learning opportunities and transformative educational experiences that set Embry-Riddle graduates apart.

Please consider renewing your gift today and continue to support talented students who are learning the skills necessary to tackle emerging challenges of our industry and pursue solutions to build a better future.

Thank you for your continued support,

Stephanie Kenyon
