CARING FOR THE MOST VULNERABLE
www.mustardseed.com

Your support changes the lives of over 600 children and adults with disabilities.

One of the children you've supported is Brailin, who came to Mustard Seed Communities almost 10 years ago. He was only an infant when his mother died, and with no family to care for him, he was brought to MSC.

Thanks to you, what could have been a story of sadness, is one of joy.

Brailin has Down syndrome and as a toddler struggled with mobility. After receiving the care and therapy your support provided, today he is not only walking—he is running and jumping! Caregivers and volunteers say that Brailin brings joy to all who meet him. His smile alone can light up a room. He loves music and is learning to play the guitar and piano.

You have changed Brailin's story. Today, he has a home and family at Mustard Seed; he is loved. That love extends far beyond the walls of his home, all the way to you and our community of supporters around the world.

Because of you, Brailin's life is full of joy, love, and possibilities.

Mission trips and events, which provide millions of dollars of critical funding for the care of the children, continue to be cancelled due to the pandemic. Those are funds that we rely on to meet the residents' basic needs of food, medicine, and therapy. With so much uncertainty as to when the mission program and events will resume, we need you more than ever.

Your support provides a lifetime of care to Brailin and hundreds of children and adults with disabilities who need a loving home where they can thrive.

Please give generously at www.mustardseed.com/brailin

Inspired by the healing and caring Ministry of Jesus Christ, we aim through the positive interaction of caring, sharing and training, to uplift the most vulnerable members of society, especially disabled and abandoned children, and marginalized communities. We are committed to the fostering of homes and communities, which will lead us all to loving service and mutual respect and which will bring us joy, hope and dignity.
