Parents, giving never felt so good.

“Opportunities for students to grow and make a positive impact are plentiful at Fairfield. This year, I volunteered my time at the Cesar A. Batalla Elementary School in Bridgeport. Most of the students at this school are bi-lingual or fully Spanish speaking, so we teach them English and help perfect their phonetics so that they’re fully prepared for middle school.

This has been an eye-opening experience that has allowed me to grow as a young adult. It has also shown me the importance of giving back to the community that I am part of. Everyone can make an impact, big or small.

Thank you for supporting the work that students like me do in service of others.”
