HAPPY ANNIVERSARY!

Dianne, can you believe it's been almost a year since you made your gift to the George R. Adams Memorial End. Fund? **Thank you** for demonstrating your belief in the value of the Birmingham-Southern experience.

Your generosity is making so many good things happen! Because of you and other BSC donors, students Aastha, Diane, and Thornton (pictured on the envelope) received donor-funded scholarships in 2019-20. Today they are among the nearly 1,200 students on track to graduate because of your assistance!

We need you to join us again this academic year. Supporting the area that means the most to you is an investment in current students, faculty, and staff – including the 56 percent of our students whose financial situations have been affected by COVID-19, according to a survey conducted by OneClass. **Our goal is for every student, regardless of circumstance, to find success at BSC. Increase the power of your generosity by renewing your investment this year.**

Willing to sustain your support? Please consider beginning a monthly or yearly recurring gift or pledge today.

If this letter crossed in the mail with your gift, please consider this our first "thank you" for your generosity!

"Even though I don't know who you are and we've never met, I am so thankful for you and your generosity. Forward, Ever!"
