GO FORTH TO SERVE

January 2021

Dear OCU Alumnus,

It has not been so long ago that you marched through the campus archway as a graduate of Oakland City University's Graduate programs. I commend you on the investment you have made in your future. Your dedication is enabling you to fulfill your role as a leader in education, industry, and your community. We are so very proud of you and thankful to have been part of **YOUR** journey.

During this time of year, we count our blessings and begin to plan for 2021. The Alumni Association is a vital part of our university and we have more than 10,000 alumni all over the world. I am extending a personal invitation to our M.A.T., Ed.S, and Ed.D graduates to become a part of our association with your 2021 dues payment. Your investment in Oakland City University makes you a part of **OUR** journey as we continue to inspire students to become leaders in the communities of the future.

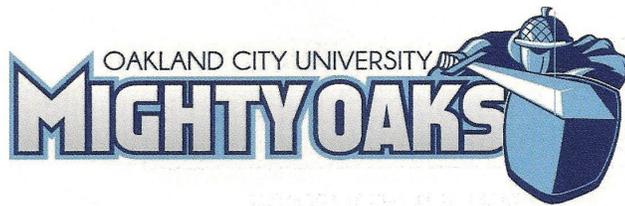

Please partner with us on this journey as we confidently look to the future. **Your dues gift will make a difference!** Please see the reverse side to pay your dues and use the envelope to mail your gift today. For your additional gift of \$50, we would like to thank you with a limited-edition watercolor print of the campus archway painted by Dr. Marie McCord, Professor Emerita of Art. Sadly, she passed away in October at the age of 97. We have a limited supply of these beautiful prints that are signed and numbered.

To receive your print, (shipped free in a protective tube), use the enclosed form/envelope to pay your dues, either \$50 at the Mighty Oak level, or \$1,000 at the Lifetime Living Oak level, and include your additional gift of \$50. We will mail your beautiful watercolor to you upon receipt. You may also pay your dues online at www.oak.edu.

Thank you for your support, your prayers, and communications. You are the finest examples of everything Oakland City University represents. May God bless you and keep you safe and healthy.

Happy New Year!
