

DO YOU RECALL RECEIVING
YOUR FIRST WHITE COAT FROM
THE UNIVERSITY OF TENNESSEE
(UTHSC) COLLEGE OF MEDICINE?

The annual White Coat Ceremony is a great passage that welcomes incoming students to medicine and engrains essential qualities for future physicians. The College will be unable to host our customary celebration in August due to coronavirus guidelines, yet we will ensure our new M1s experience great honor and excitement in receiving their first white coats – and we ask for your partnership in this momentous occasion!

By offering uplifting words and supporting the White Coat Ceremony, alumni, faculty, and peers can have a distinct and lasting impact on students at the beginning of their medical journey. The students are deeply appreciative of and excited for this moving experience...and the donning of their white coats for the first time.

Would you share a note of encouragement and help sponsor a UTHSC College of Medicine White Coat and stethoscope for a student this year? Your gift will be used to provide a white coat and stethoscope for a Medicine student (or students if you prefer to sponsor more than one), and your note will add to this inspirational experience when it is presented to your student recipient.

Please return your gift card and note of inspiration in the enclosed envelope. Your words of advice or note of encouragement to the first-year white coat recipient of your sponsorship gift will be greatly appreciated. You may also make your gift securely online by visiting giving.uthsc.edu/give and selecting **UTHSC College of Medicine White Coat Gift Fund** as the designation of your gift.

THANK YOU in advance from the excited, happy future physician who will be proudly wearing your white coat this year!

Yes! I would like to make a sponsorship gift during the annual White Coat Ceremony.

Coats: ____ X \$100 = \$ _____

CHOOSE YOUR PAYMENT METHOD
