JMU Alumni Association

The JMU Alumni Association exists to celebrate alumni, preserve JMU's time honored traditions and be a Duke's lifelong connection to their alma mater.

The JMUAAserves as the gateway for current students to access the invaluable resource that is the JMU Nation. Made up of over **140,000 alumni** located worldwide, it is never too early for your student to get involved with the JMUAAs and start making connections for their future. Networking with alumni is a great way for your student to find summer internships, be mentored by professionals in their field and form relationships that last far beyond their undergraduate experience.
