

With only two weeks left in 2020, we wanted to take the opportunity to thank you for all you've done to help Georgia State successfully navigate this most unusual and uncertain year.

The university has become a national model of student success that is changing the face of higher education because of the investment of parents and friends donors like you. Your support has fueled the programs and innovative supports that assist students along their path to a degree.

This year, Georgia State's graduation rates hit an all-time record. We also welcomed the largest, most accomplished and most diverse freshman class in our more than 100-year history. Georgia state supporters showed extraordinary generosity towards our students during this extraordinary year, and gave more than \$1 million this year to help students financially imperiled by the pandemic.

You can help Georgia State end the year on a high note and start 2021 off strong by making a gift today. Your donation to the Panther Family Fund or any area of the university you choose will ensure vital resources are available to Panther students in the coming year.

Thank you for the difference you make in the lives of students. With gratitude, we wish you a safe and joyful holiday season.

DID YOU KNOW?

The Coronavirus Aid, Relief and Economic Security Act reinstated a tax credit for charitable contributions up to \$300 made in 2020. You can still take advantage of this benefit by giving to Georgia State before Dec. 31. For more details, contact your tax adviser.
