Dear Oiler Family Members:

Welcome to Oiler Nation at the University of Findlay!

The Wolfe Center for Alumni, Parents and Friends will work closely with you to enhance the quality of your student's experience.

College is a big step for both students and their families. Our staff and faculty here at UF are committed to assisting your student in achieving their academic goals and are available to help whenever necessary. The support that you provide as parents is just as critical now as it has been in the past.

One of the many ways to stay connected back to campus is by signing up for the parent email distribution list. Simply go to www.findlay.edu/parents, scroll down the page and click on "Parent Communication" for information on how to subscribe to our "Inside the Arch" monthly electronic parent newsletter and more.

Again, the goal of the staff at the University is to keep a close connection to our parents and life on campus. Through our website, we intend to keep parents informed of services, campus activities and events. We welcome your input and feedback as we plan events and services specifically designed for you.

If you have any questions, call us at 419-434-4516, or email alumni@findlay.edu. We're here to assist you.
