AVON OLD FARMS
ANNUAL GIVING

Honoring Tradition. Inspiring Excellence.™

The Comeback will be Greater than the Setback.

Avon really needs you NOW... more than ever!

Dear

This academic year is like no other. The wellbeing of our boys is our highest priority, and as we adapt in response to the coronavirus pandemic your support of the Annual Fund has never been more important. In order to continue educate young men at Mrs. Riddle's indestructible school for boys, our COVID-19 Task Force created a plan that required investments in:

- New Ventilation Systems
- A Larger Health Center
- The Creation of a Quarantine Space
- Community Testing for COVID-19
- A Robust Online Program
- Professional Development for Faculty

These investments, in addition to our vigilant Avon community, have provided our boys with the very best education possible. Your unrestricted gift to the Annual Fund will give Avon the flexibility to continue investing in alternative teaching methods, sufficient technology resources, and additional student services required in these uniquely challenging times.

Please make a gift to the Annual Fund today. Support the Avon we know and love – the Avon that bands together when challenges arise – by giving today at avonoldfarms.com/give. Thank you in advance for your generosity.
