

Grandparent Information Email #1

Subject line:

Parents: Action Needed

Body:

Parents,

Among the many wonderful traditions here at Avon, Grandparents & Grandfriends Day is a favorite. Highlights of the day include attending classes, a vocal and instrumental concert, a delicious lunch, and a guided tour of the campus. The day is closed out by athletic contests with many grandparents staying to watch their grandsons compete. We have deeply missed this tradition due to the COVID-19 pandemic.

That being stated, we want to make sure we have updated contact information for our grandparents and grandfriends. Please fill out the brief grandparents and grandfriends information form below. The information from this form will be used to send out invitations for Grandparents and Grandfriends Day and also keep our grandparents and grandfriends informed about all the amazing things happening here through our school magazine and email publications.

Grandparent Information Email #2

Subject line:

Parents: Reminder Action Needed

Body:

Parents,

A reminder to please fill out the brief grandparents and grandfriends information form below to ensure your son's grandparents or grandfriends stay up to date on what's happening at Avon. Grandparents and grandfriends will receive the school magazine and email publications.

We appreciate you taking the time to complete this accurately and promptly.
