Hello Friend,

Our new academic year is here, and for our entire Fuller community, it's dramatically different from the start of any other year in Fuller's long history. For our students, especially, it's a Fuller experience unlike the traditional model of education.

Just as we did last spring, we are pivoting seamlessly to online education, bringing the best of Fuller to our students' doorsteps. While our students are not traveling to take advantage of all the seminary has to offer, many of these faithful Christians still struggle with the financial burden of a theological education during this extraordinary time.

**You can help them right now with your gift for the start of the 2020 academic year.**

As a member of the Fuller alumni community, you understand the impact of the Fuller experience and a Fuller education. Today, you can join other alumni in supporting the needs of current and future seminary students with a gift to the Charles E. Fuller Annual Scholarship fund.

**Through your investment today in this fund, you:**

- Make it possible for students to pay a registration fee.
- Contribute toward Resilience Grants, which offer students need-based support.
- Help pay for technological needs, including internet access and computer programs.
- Provide hope to Fuller's future global leaders.

Fuller's devoted and caring alumni have always generously extended help to the next generation of Christian leaders. **Will you continue that legacy by giving today?**

GIVE NOW

Thank you for blessing the Fuller community and especially our students through your prayers and giving.

Danae Jaeger  
*Associate Director of Annual Giving*

**“But those who hope in the Lord**  
will renew their strength.  
They will soar on wings like eagles;  
they will run and not grow weary,  
they will walk and not be faint.”

*Isaiah 40:31*
