March 2021

Dear First Name,

We are excited to introduce **RhodyNow**, a new way of promoting immediate-use gifts and creating a sense of community among URI alumni, friends, parents, faculty, and students through the power of philanthropy. There are more than 40 areas to support, including **RhodyNow: Immediate Use**, providing flexible resources where they are needed most.

These contributions—at any time of year, in any amount—help students along their path and provide opportunities that are unique to URI. RhodyNow supporters have made it possible for:

- An incoming student, ranked in the top of five of his high school graduating class, and being recruited by other universities, to select URI due to an additional \$2,000 scholarship. This financial support solidified his enrollment.
- A junior and Rhode Island resident, who lost her mom last July, to remain at URI to complete her dream of a college degree. The boost she received through RhodyNow is allowing her to honor her mom's memory by graduating on time.

These are only two examples of many that exemplify our important role as volunteer leaders and supporters of URI. Collectively, we make it possible for students to reach their academic and personal goals.

We invite you to join us in investing in our <u>students and faculty</u> through a contribution to **RhodyNow: Immediate Use**. All RhodyNow gifts have an immediate impact while allowing the University to take advantage of emerging opportunities that benefit all who are involved with URI.

Go Rhody! #WeAreURI

Sincerely,

P.S. If you prefer to support a specific college or another area important to you, RhodyNow includes additional giving options at uri.edu/give.

P.S.S. We hope you will show your Rhody Pride by using the enclosed address labels.

Big Ideas. Bold Plans.

The Campaign for the University of Rhode Island
