Dear Hal,

Are you ready to continue making a difference this year? Your generosity already helps support the dreams of HSU students. I'm writing to ask that you build on your momentum by making an additional gift.

HSU is about more than producing graduates. With a world vision that values sustainability and social justice, HSU helps our students develop the skills they need to grow into the next generation of leaders. **The HSU community puts passion into action to create change, and your support is vital.**

In today's changing world, you help our students stay ahead of the curve. Thank you again for your recent contribution on 2/26/19. Would you consider making an additional gift or becoming a Humboldt Loyalty Partner with a monthly or quarterly gift? Recurring giving is one of the simplest, most effective ways to help students achieve their dreams.

In Partnership,
