

The
President's
Circle

Thank you for your President's Circle membership which lays the foundation for Fairfield students' personal, professional, and spiritual growth.

Your partnership, especially during these uncertain times, is a reflection of your dedication to making a Jesuit education possible for those driven to bettering themselves as women and men for others—and for that we are forever grateful.

Please enjoy this special Fairfield ornament as a token of our appreciation for your generosity.

May the holiday spirit be with you and your family today and throughout the New Year.
