

PRESIDENT'S CIRCLE

Illinois State University • Annual Giving • Campus Box 3200 • Normal, IL 61790-3200 • (309) 438-4483

For more information about the impact of your gift, visit Giving.IllinoisState.edu.

October 2020

Dear Elizabeth,

You did something remarkable last year. You gave at the President's Circle level, joining Illinois State's most generous annual contributors by investing in your passion at the University. In addition to helping ISU provide a margin of excellence, your support reflects your confidence in the Redbird experience. Thank you!

When you give at the President's Circle level, you are among the top 12 percent of the University's donors. This truly makes you a philanthropic leader! As a member of the President's Circle, you are part of an elite group of annual donors whose gifts are enhancing campus, elevating the Redbird experience, and transforming student lives.

Members receive courtesies that include:

- Advance access to campus news and announcements;
- Priority registration at select events and virtual experiences;
- Special video messages from leadership, alumni, staff, and friends; and
- Recognition at select events, and on donor walls and kiosks.

This month marks one year since you last qualified for the President's Circle.

Last fiscal year (July 1, 2019–June 30, 2020), your leadership gift of \$1,500.00 helped advance the Doris E. Henderson Endowed Scholarship in the School of Kinesiology and Recreation at Illinois State.

Please thoughtfully consider renewing your leadership support by making a President's Circle level gift of \$1,500 or more. I hope you will once again join this exclusive group of Redbirds today.

Together we are rising,

A handwritten signature in black ink that reads "Jillian Nelson".
