Dear FIRST NAME,

This year, your giving has meant everything.

In 2020, we've faced numerous challenges, from the COVID-19 pandemic to unprecedented wildfires and a divisive election. And yet, we have shared many more stories of hope—stories of student and institutional success, inclusive excellence, faculty members creating innovative teaching methods and graduates going on to lead our region towards a better future.

Your support made each of these stories possible, and we are profoundly grateful for your generosity this year. Because of you, Seattle U is blazing new trails and finding new ways to not only care for the *whole* person, but to empower *every* person to create a more just and humane world.

Thank you, and we wish you the happiest of holidays,

Your Seattle University Annual Giving Team

If you'd like to put your gift toward the special President's Club "Our Moment for Mission Challenge" (incentivizing alumni to give during Seattle U Gives), please designate your gift to the Seattle University Fund and write "OMFM Challenge" in the comment box.
