Dear **SALUTATION**,

The MassArt Class of 2021 graduates exude pure hope!

As we move into the next chapter of our history, their entrepreneurial spirit, ingenuity, and resilience will shine brightly in the creative economy.

These creative innovators represent everything that makes me proud to be a part of the MassArt community. I know you're proud to be a part of it, too.

Still, many current students dreaming of their own graduation continue to feel the impact of the pandemic. We have heard **that many may not have the funds to continue their education in the fall.**

NAME, you can bring them one step closer to the graduation stage.

Please, will you send in a special gift before June 30th?

The more support we can provide to students in need, the more of them can stay at MassArt, earn their degree, and reach their full potential like the inspiring class of 2021.

Your donation is an impactful investment.

Consider this—your \$50 gift secures one day of tuition for one MassArt student.

May I count on you to provide **Time 1**, **Time 2**, or even **Time 3** of tuition for a MassArt student? Every day matters and brings a hardworking MassArt student one step closer to their dreams.

Your gift will help provide a world-class education for a deserving student **regardless of their ability to pay.**

So please, support a MassArt student's future today! Together, we can take care of those in our community who need and deserve our support.

With thanks,

Marjorie O'Malley
Vice President for Advancement, Massachusetts College of Art and Design
Executive Director, MassArt Foundation

You can light the way for MassArt students by sending your gift before June 30th!
