If you're like me, you may have wondered how can "my small donation" make a difference? The answer is that many contributions make a huge difference. Last year more than 2,600 donations were directed to the Alumni Fund Scholarship. As a result, more than \$500,000 in Alumni Fund Scholarships was awarded to 45 deserving students this fall. **In honor of your upcoming <<Reunion YR>> reunion I invite you to make a gift of <<AG Ask Am>> to the Alumni Fund.**

**Your support will ensure that the Alumni Fund Scholarship, and its recipients, thrive.** This year's recipients are a diverse group from across the country with proven academic excellence and demonstrated financial need. They are scholars, athletes, first-generation college students, and change-makers. They chose Puget Sound to help them achieve their goals. As alumni, we have made it a priority to provide scholarships and financial aid to our students and to advance our support services and educational programs—and we need your help.

**(Re\_LYBUNT):** A generous trustee has offered \$45,000 to match your increased gift over last year, in honor of your upcoming reunion. Please take advantage of this opportunity to help reach your class goal of raising <<FY19 class goal>> by June! Additionally, the class with the highest overall Alumni Fund participation will receive an added \$5,000 to boost their overall reunion class gift. **Please renew your support of the 2018-19 Puget Sound Alumni Fund with a gift of <<AG Ask Am>>.**

**Consider becoming a sustaining donor by making a monthly donation.** Smaller amounts given regularly can fit any budget while producing great results and making a difference for the next generation of Loggers.

Whether you choose to support the Alumni Fund Scholarship or another area of campus, your generosity ensures that current and future Loggers will benefit from the education of our nationally-recognized liberal arts college. **Thank you for all you do for Puget Sound!**

Always a Logger,
