Dear Michelle,

This weekend, Cal State San Marcos will honor the Classes of 2020 and 2021 with Commencement ceremonies and Graduates on Parade. Know that **you** had a role in the success of several graduates.

Your past gift to the Student Philanthropy Endowed Scholarship, often a gift of \$20, made a difference. You might wonder how a \$20 gift can make a difference? The collective giving of hundreds of \$20 donors makes it possible, because when we give together, the impact goes a long way.

Brandon is a 2020 Student Philanthropy Endowed Scholarship recipient and will be walking in his commencement ceremony this weekend, thanks in part to your generosity. "Your philanthropy allowed me to better focus on my studies," said Brandon. "I hope to use my education to help build better communities that use science and ethics to foster opportunities for disadvantaged individuals. As a first-generation college student, your generosity has inspired me to reach a position that will allow me to do good in our country and give back to others."

Your last gift supported students like Brandon. **Today I am asking you to [make a gift again this year](#) of \$50, \$25, or \$20 to the Student Philanthropy Endowed Scholarship to help other students achieve the dream you have already realized - a college degree.**

Sincerely,
Sean

Sean Briner
Director, Annual Giving Programs
California State University San Marcos
