<Name>, look around you now. And then think about your UND experience and how it set you on your course. Who or what **set your future in motion?**

Today's students are **currently on the path you once were**. They are seeking similar opportunities to expand their education, change the world, and do good.

We are lifting students' UND educational experiences by:

- Partnering with the U.S. Space Force
- Revitalizing spaces and opening the Gershman Graduate Center
- Creating the world's first Department of Indigenous Health
- Launching Accelerate to Industry
- Eclipsing previous years' enrollment
- Breaking ground on the Nistler College of Business & Public Administration

You have the power to send UND students on their way as they navigate and reach their potential. Will you **ensure our students continue to explore, and propel their curiosity?**

**Will you ensure UND students take flight?**

Contributions to your university, through the UND Alumni Association & Foundation, go right to work helping students who are standing right where you once were. They arrive on campus from around the state, country, and even the globe.

By donating, you will take part in our annual giving program – a continuous effort to do good for our students each year. Annual gifts to the UND Alumni Association & Foundation **provide immediate, ongoing funding** that goes toward meeting urgent needs across campus.

**Help current students lift off by making a gift today at [UNDalumni.org/soar](http://UNDalumni.org/soar).**

P.S. Did you know that annual fund gifts will be utilized in the same year they are received? By donating now, your gift will make a difference in the lives of today's students!
