

Centro Hispano

Hola <Preferred Name>!

Fifteen years ago, a seed was planted. Centro Hispano started as a vision, and today it serves more than 1,500 Latinx students. It's a place like no other, where students feel empowered to celebrate and share their culture.

Thousands of Seahawks lives' have been transformed through Centro Hispano and programs like MI CASA, Embajadores, Ritmo Latino and more. I've seen first-generation college students pave the way for themselves and their family members and have watched our center's outreach to the greater Latinx community continue to expand. It is inspiring, and you are part of that legacy.

Centro Hispano has come a long way in a short amount of time, but we need the help of our alumni to do even more.

A gift to Centro Hispano is like planting a seed. Your investment, no matter the size, helps nurture the growth of Latinx students. Every dollar you contribute – 100% of your support – stays within Centro Hispano to help provide diversity scholarships, outreach programs and cultural opportunities for students. Whether you participate today or during Seahawks Give happening April 6-7 (noon to noon), your gift makes a difference!

With gratitude,

Edel Segovia '98, '12EdD
Director, Centro Hispano

P.S. In celebration of Centro Hispano's 15-year anniversary and the difference your gift can make, enjoy the enclosed seed paper. Plant, water and watch it grow!

DIVISION for UNIVERSITY ADVANCEMENT • 601 S. COLLEGE ROAD • WILMINGTON, NORTH CAROLINA 28403-5905 • 910.962.7613

Gracias por tu generosidad, <<PreferredName>>!
