**Subject:** Preview: Support Embry-Riddle Students for Giving Tuesday

It's Giving Tuesday, and Embry-Riddle has set an ambitious fundraising goal on this international day dedicated to philanthropy. We need your help to reach 100 donors over 24 hours for the One University Scholarship.

Representatives of our Student Government Associations, Maximiliano Robles and Spencer Helsing, understand the impact that donations make on our students and the importance of your support on this Giving Tuesday. [Listen to their message.](#)

With your gift today, Embry-Riddle students can stay on track and pursue their dreams.

Thank you for your support,

Cami Hilberling  
Assistant Director of Annual Giving Programs
