Dear Salutation*****],

The past year has been marked by extraordinary pressures and enormous losses, the impact of which will be felt for some time. These challenges led to tremendous innovation, and health care professionals inspired us throughout 2020 with their skill, ingenuity, and compassion.

Thank you to all who have read and shared our updates throughout the year. We are still in this together, and we're proud to stand with each of you as we continue to turn setbacks into comebacks and - as we always have - heal, comfort, and care for all we are so privileged to serve.

We need your partnership now more than ever.

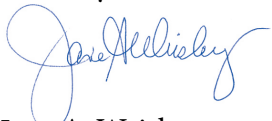

We invite you to join us today in our effort to care for our neighbors by making a gift to support COVID efforts at Lehigh Valley Health Network (LVHN).

At LVHN, we continue our mission to “heal, comfort and care for the people of our community” as we vaccinate thousands of people throughout our region against COVID-19 at vaccine clinics on our hospital campuses, with easy to access drive-through clinics, and soon mobile vaccine clinics will meet people where they are. As additional vaccines become available, we will continue to ramp up our efforts to make vaccines accessible to everyone throughout our region.

COVID-19 is a part of our lives, from our everyday conversations to the way we grocery shop and work. Rest assured, LVHN is your health partner, today and every day, especially when things get tough. We are proud of our community’s response to this pandemic, as we join together for one cause – each other.

Please accept our gratitude for all that you have done, endured, and inspired.

Sincerely,

Jane A. Wrisley
 Vice President, Office of Philanthropy

P.S. The COVID-19 pandemic has affected every aspect of our lives, none more so than those working on the front lines of this crisis – our health care heroes. Nothing is more uplifting than to share messages of gratitude with our colleagues. Please submit your words of gratitude at give.lvhn.org/sharing as we strive to bring to us better days ahead.

Your tax-deductible gift will help save, change & improve the lives of those who rely on LVHN for care!
