

Dear Shara and Scott,

Greetings from John Brown University! As we near the end of the year and the Christmas season, I'm grateful for the chance to rest and reflect on the semester and hope that in all the year has held, you're doing well and finding time to rest, too.

Before classes started this fall, no one knew if we'd be able to remain face-to-face for the entire semester. We built a plan that prioritized the health of the campus community and created new opportunities for students to learn, have fun and grow in their faith. We are thankful for God's protection and provision during the semester.

Financial aid is almost always an important part of a student's decision to attend JBU, especially this year in the midst of the pandemic and the recession. Scholarships are a key piece of student financial aid packages, this year even more than most.

The JBU Scholarship Fund (JBUSF) helps more than 700 students each year through providing essential need-based scholarships and work-study employment. During this time when so much is changing all around us, would you please consider a gift to the JBU Scholarship Fund today?

Sincerely,

Dr. Jim Krall
Vice President for University Advancement
