

Your gift to UHS enables us to empower our students to live a life of integrity, inquiry, and purpose larger than the self. This year's Annual Fund contributions will allow us to:

- Meet the increased demand for financial aid and ensure equity and access to more students.
- Increase faculty support that fuels care and innovation to attract and retain world-class teachers.
- Create curricula that encourages team teaching and interdisciplinary work.
- Build flexible operating support so that we can make the most of opportunities and respond nimbly to challenges.
- Support the important work of Breakthrough Summerbridge.

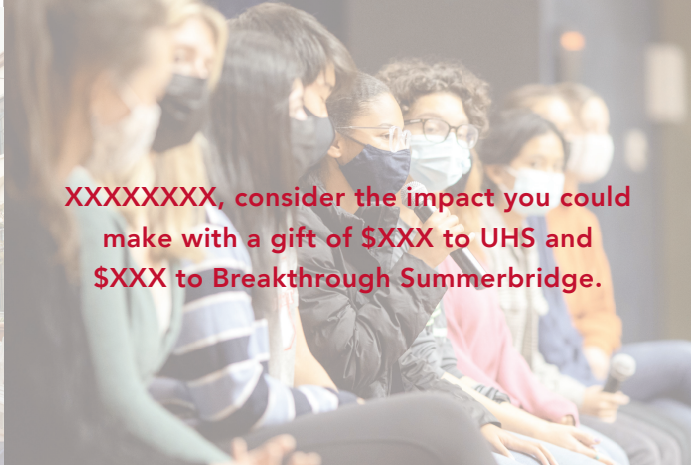

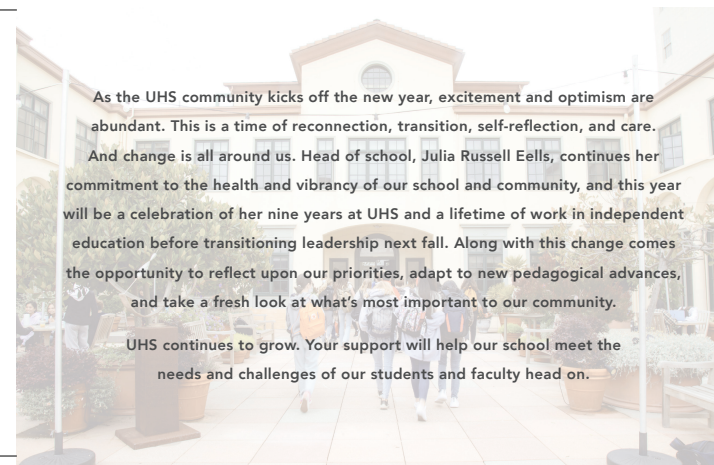

*The Latin roots of excellence literally mean "to rise above." In an educational context, however, "excellence" often gets reduced to receiving the highest grades, the most awards, and the greatest level of prestige—this is true for both students and schools themselves.*

*We envision a richer, more multidimensional view of excellence, one that promotes the wholeness of each individual and fosters a purpose larger than the self.*

**RISE ABOVE**  
EXPANDING A LEGACY OF EXCELLENCE

2021-2022 UHS AND BREAKTHROUGH SUMMERBRIDGE ANNUAL FUND

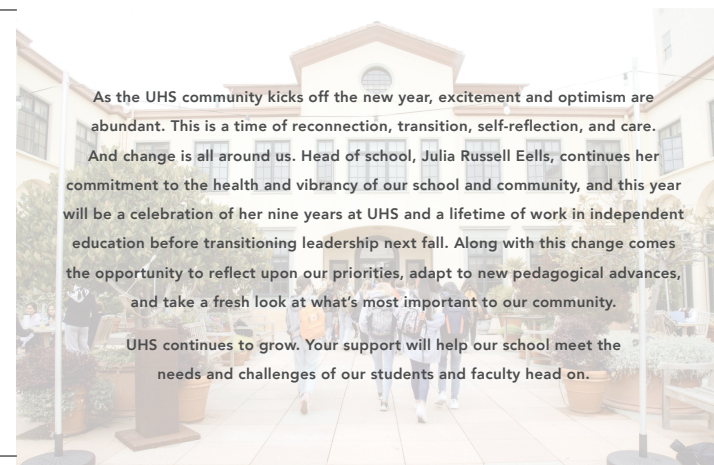

**XXXXXXXX, consider the impact you could make with a gift of \$XXX to UHS and \$XXX to Breakthrough Summerbridge.**

As the UHS community kicks off the new year, excitement and optimism are abundant. This is a time of reconnection, transition, self-reflection, and care. And change is all around us. Head of school, Julia Russell Eells, continues her commitment to the health and vibrancy of our school and community, and this year will be a celebration of her nine years at UHS and a lifetime of work in independent education before transitioning leadership next fall. Along with this change comes the opportunity to reflect upon our priorities, adapt to new pedagogical advances, and take a fresh look at what's most important to our community.

UHS continues to grow. Your support will help our school meet the needs and challenges of our students and faculty head on.
