

Our world needs more  
**Brandon Harrises.**

“Every gift from members of our community supports Davidson’s student body in our efforts to push for positive, substantial change on campus and beyond. My scholarship is a great example of that. As a student leader, it is my desire to help students make a direct impact on campus and the community, and that work is preparing me to broaden my impact as an alumnus.”

“Davidson exposed me to new ideas and reinvigorated my interest in, and care for, the world around me. I’ll take with me the relationships I have formed with classmates, fraternity brothers and faculty, and I’ll also take with me all that Davidson has taught me about myself. Scholarship support allowed me to fully take advantage of everything there was throughout the campus.”

## The Fund for Davidson supports every Wildcat.

Annual, current-use support is critical to the financial health of the college and allows Davidson to recruit, retain and broadly support a richly talented and diverse student body.

No matter the size, your gift makes a difference and can be designated to the area of campus you feel most passionately about. Whether you give to scholarships, athletics, experiential learning, the arts or the area of greatest need within The Fund for Davidson, your support has a direct, immediate impact on our student body. Thank you.

### UNRESTRICTED SUPPORT

Unrestricted gifts to The Fund for Davidson give the college the ability to adapt quickly to the unexpected and rapidly evolving needs of this time and allow Davidson to support students holistically throughout their time here. The Fund for Davidson provides critical funding in support of a rigorous academic environment where students can achieve their fullest potential—students who will go on to ask tough questions, tackle challenges, and become leaders in their communities.

### THE DAVIDSON TRUST

Through a combination of scholarships, grants and work study positions, The Davidson Trust meets 100 percent of demonstrated financial need of all accepted students. There is an increasing need for financial support to allow all qualified students and their families to see the unparalleled Davidson experience as more than just a possibility.

Supporting scholarships is our top institutional priority, so that talented, capable students from all backgrounds can say “yes” to Davidson.

### ATHLETICS

Davidson’s 21 Division I athletic programs help build our reputation on a national and global scale and provide scholar-athletes with valuable leadership and team skills they carry into the classroom and beyond their time at Davidson. Support for general athletic operations and for specific teams ensures that Wildcats can compete in their respective conferences while also prioritizing academic excellence.

### THE ARTS

The arts make Davidson College and our greater community come alive. From performance and painting to the written word and song, the arts provide space for reflection and critical examination. Alumni gifts support campus programming and help develop powerful artistic and transdisciplinary leaders.

### EXPERIENTIAL LEARNING

Research opportunities at Davidson help students explore their interests while collaborating with fellow students and faculty. Internships and other out-of-classroom experiences illuminate how they might align their passions with post-graduate plans. Support for experiential learning opportunities provides students with tangible skills and valuable context they will use as they step into leadership roles beyond Davidson for years to come.

### STUDENT EMERGENCY FUND

The Student Emergency Fund helps alleviate challenges that may arise for students and their families during unexpected situations. The fund has been used to aid with travel expenses, housing and food insecurity and stable tech options for students. It provides a safety net for students during unusual and difficult circumstances and illustrates the strength and all-encompassing support of our community.

### HEALTH AND WELL-BEING

Support for student health is a growing area of interest for many alumni. Through this newly established designation, alumni gifts provide funding for mental health and counseling services, campus health programming and help promote general student well-being.

### DIVERSITY AND INCLUSION

Funds directed toward Diversity and Inclusion initiatives allow Davidson to continue its commitment to creating an inclusive campus environment and support students in their work to effect change. Alumni gifts help support scholarships and experiential learning opportunities for students of color, campus-wide antiracism programming and more.

You can support Davidson students long-term by making a multi-year commitment to The Fund for Davidson. Your ongoing support helps us plan for the future and ensures that the programs that make Davidson distinctive can continue for years to come.
