Empowering students to discover their passion & realize their purpose.

Dear (First Name):

The fall semester at Marywood has begun! All instruction has been planned with every safety precaution in mind - we are delighted to welcome our students back. It is safe to say that we cannot begin to predict where this year will lead us and what we will discover, but I would like you to think about how

we have all risen to the challenges placed before us in such a short period of time. **We are moving forward with courage, not regret. We are moving forward together.** I wish to thank you for your continued support and generosity this year. Because of you, Marywood students

like **Makenzie Reinhard '22 (Pictured above.)** are able to continue learning during this unprecedented time and beyond.

Makenzie, a Communication Sciences and Disorders student, is thankful for the resources Marywood has provided during the COVID-19 pandemic to help her adapt to the current environment. She is especially grateful for the care, understanding, and individual attention she has received from members of the Marywood family during this challenging time.

Makenzie is involved in campus life through various clubs, organizations and volunteer opportunities, including the Student Alumni Association, Student Government Association, Volunteers in Action, Speech and Hearing Club, Love Your Melon, and Zeta Phi Delta.

Inspired by her volunteering experience at the NativityMiguel school and her passion for service, after she graduates, she looks forward to working in a school district as a Speech-Language Pathologist. Makenzie truly enjoys working with children and would love to help them improve their language skills and self-confidence.

(First Name(s)), you can continue to provide students like Makenzie the opportunity to continue their Marywood education. Your support will help Marywood create resources to best serve all our students during these challenging times; not only academically, but in every possible way. I invite you to join me in making a commitment to future Pacers with your gift to the Marywood Scholarship Fund today. Now more than ever, we need one another and **we need to support our students who will lead us to a brighter future.**

We will continue to pray for your safety and well-being. Thank you for your consideration of my request.

With great gratitude,

Sister Mary Persico, IHM
