

When we  
needed you  
**most,**  
you showed up.

Thank you >>

When Pitt needed you most,  
you didn't hesitate to give.

**You** kept our students safe  
and supported.

**You** empowered our world-class  
researchers.

**You** steeled the resolve of our  
campus and our community.

**You** proved that, around here, a  
neighbor is more than someone  
who lives next door.

Quite simply,

**YOU SHOWED UP.**

**Thank you.**
