

Happy
Anniversary!

DOUBLE THE IMPACT.

**Participate in the
Minehan *Magis* Challenge!**

Now through May 31, 2022, new and increased gifts to the Canisius Fund will be matched by the estate of the late Patrick C. Minehan '50, MS '52 up to \$500,000 – making your support go even further in 2021-22.

One year ago you made a gift to Canisius.

Please give again this year to signal your commitment to our students and ensure that finances are never a barrier to a Canisius education.

While there is no one way to support Canisius, by giving to the Canisius Fund you support scholarships in real-time, ensuring students with aspirations for a Jesuit education are able to make a choice based on values, not finances.
