# 10 YEARS

*of caring  
of sharing  
of changing lives*

Central College is pleased to celebrate 10 years of the Journey Scholarship Fund this academic year. It started to help students pursue their dreams and since has awarded thousands of scholarships to students from around the country. It's provided endless opportunities and made a tremendous impact on those who received it.

The tradition remains strong today and scholarships continue to be the college's top priority. Please consider a gift to the Journey Scholarship Fund. Every dollar goes directly to students and makes an immediate impact, allowing them the chance to explore and open their minds to a lifetime of possibilities.

**JOURNEY**  
SCHOLARSHIP FUND

To celebrate 10 years of the Journey Scholarship Fund,

we invited 10 scholarship recipients  
to share the impact it's had on their lives.

## DEAR FRIEND,

Traditionally, we'd be together this evening celebrating the generosity of our scholarship donors, the incredible students who benefit from those scholarships and the spirit of philanthropy at Central College.

Our hearts hurt that we can't be together tonight. We're aching for the day we can finally be together again, but for now, please enjoy this special video you would have seen at the dinner.

We're grateful for your continued, incredible support, and we can't wait to host you on campus again in 2022! We're thinking of you and wish you health and happiness.
