Dear <<Preferred name>>,

It has been a trying year as thousands of Mount Mercy-trained nurses provided compassionate care and exceptional service to patients throughout the Corridor, nation, and world amidst the global pandemic. Now, more than ever, we need to lift up, support, and thank our nurses—and we thank you and invite you to join us in honoring our Mount Mercy Nursing students this September.

The journey to become a Mount Mercy-trained nurse is a difficult, yet extremely rewarding one— and the Martin-Herold College of Nursing & Health White Coat Ceremony is the first step in this journey for our nursing students. By accepting their white coats, our students officially enter the Nursing program and join an elite community of nurses who have been making a difference in their communities for over 90 years.

This year's White Coat Ceremony will take place on Friday, September 10<sup>th</sup> and we are continuing our tradition of supporting the Nursing Program by offering you the chance to **sponsor a white coat** with a minimum gift of \$25 to the Nursing Program.

Sponsoring a white coat will not only provide you the opportunity to offer our nursing students a note of support, encouragement, or advice, but it will also enhance the Martin-Herold College of Nursing & Health and ensure the nursing programs at Mount Mercy maintain their standard of excellence and compassionate service for generations to come.

Thank you, in advance, for your support of our nursing students and the many nursing programs here at Mount Mercy—and for all you have done in support of your community during a year unlike any other.

With Gratitude,

Peter Fegley '18 MSL
