Jackrabbit Fanatic Scholarship Recipient  
Intramural Champ Future Nurse

## WHAT WOULD YOU SAY TO A DONOR WHO PROVIDES SCHOLARSHIPS FOR STUDENTS LIKE YOU?

Receiving a scholarship from someone using their hard-earned money to help me get through college increases my drive to study harder and do my best to make that donor proud. Scholarships raise the bar for me to achieve bigger and better things at SDSU.

## HOW HAVE SCHOLARSHIP DONORS MADE A DIFFERENCE TO YOU?

My generous scholarship donors have provided me the opportunity to focus on academics and take on additional leadership roles to make the most of my time at SDSU. They are changing my life!

Dear <<Informal Joint Salutation>>,

Jackrabbits likes me have a bold story to tell. At SDSU, we're finding the perfect balance of academics and personal growth. We're discovering who we're meant to be - but no two stories here are exactly alike.

Many of us are first-generation students, ready to write the next chapter of our family's history. Others work multiple part-time jobs so we can chase a brighter tomorrow. We're the next generation of teachers, of nurses, of farmers, of engineers, and we're building the future one Jackrabbit at a time.

Each of our stories carry some uniqueness. **The common thread is that scholarships are making a difference in our lives.**

Without scholarship support, our stories might turn out very differently. Higher education might be nothing more than a far-fetched dream.

**With your gift, the world awaits us. With your gift, our stories at SDSU are just getting started.**

We can't wait to make you proud.

With gratitude,

*Alli G.*
