Sponsored by Student Alumni Association

UVM student clubs are fundraising to support their passions for another year!

Hi Kevin,

Today is the launch of the annual student club fundraiser!

This yearly campaign, called [LUVMyClub](#), is a friendly competition between clubs from across UVM's campus. Students from 70 different clubs are reaching out to their networks to meet their fundraising goals, but they need help from parents like you.

I hope you'll check out the campaign and consider making a gift of \$10, \$25, or \$50 today to support your student's favorite UVM club!

Give Today!

With the support of UVM parents like you, they'll be one step closer to meeting their fundraising goal, and competing to win prizes of up to \$1,500!

Thank you so much for supporting students like me here at UVM as we follow our passions outside the classroom.

Sincerely,

Stephanie Galinos '21

Director, Student Alumni Association Philanthropy Committee
