→ *(yes, that's a record)*

In 1962, Gary Clark made his first gift to Ohio University. He chose OHIO, and he's chosen to give what he can every year since—59 years of support for the experiences that shaped countless students' lives for the better.

It might be hard to beat Gary's record, but it doesn't take much for you to start your own legacy. No gift is too small to make a real and lasting difference to the place that made a real and lasting difference in you.

Give today. Give Like Gary.
