

Dear Class of 2017,

I write to remind you that our 5th Reunion is a mere three months away: May 13, 14, and 15. Fingers crossed, the weekend will still go as planned and be in person. Please be on the lookout for your invitation with information to register! The past two years have not been easy, and I know every one of us has had to be resilient and persevere. Many of you completed your degrees (congrats!), started a new job, and moved to a new city. Some have decided to continue on with their education or take time off. Whatever you are doing now, be confident and proud that you are making your own path and way through the world. With that in mind, the next few months will be a good time for you to reconnect with your friends.

I know many of you are learning to budget for the first time with rent, food, bills, and student loan payments. Every dollar counts, which is why it is also important to make even a small donation to the Westover Fund. About 65% of Westover students receive a financial aid package, and a portion of the Westover Fund provides scholarships and financial aid for those students. In addition, the Fund covers student extracurricular activities, like sports and the arts, and other expenses of the school. **We ask that you consider making a donation of \$20.17 to support Westover students and celebrate our 5th Reunion.** You can give online at westoverschool.org/donate.

Also, consider signing up for AmazonSmile and adding Westover as your charity [here](#). Westover won't be able to count you as a donor; however, when you make a purchase, a percentage of the cost will be donated to Westover!

Hope to see you in May!

Sincerely,
Fiona Boyle

P.S. Check out this letter from a Class of 1977 alum!

CLASS OF 1977

1st Reunion

Friday and Saturday

May 12 and 13, 1978

February 20, 1978

Dear Class of 1977,

As you all know, our first class reunion is coming up shortly: May 12 and May 13. If we all plan our schedules accordingly, the Class of '77 will meet again. I know everyone is probably very busy with either college or jobs, but it is important that we reunite in May to catch up on the latest gossip. The Class of '77 was a very close class and I hope that we can remain as such.

I know that college students are usually broke, but it is important that we save our pennies and give to the annual fund. [REDACTED] is our Class Agent, and I'm hoping that she has contacted you. The Class of '77 has done remarkable things in the past as far as planning activities and raising money; therefore, it should present no extra effort for our class to make this Reunion and Annual Fund a success. Hope to see you in May.
