

***As Collegiate graduates, Alumni Board members and parents of current students,** we're thrilled at the opportunity to write you this letter, as Collegiate is thriving. We are happy to report that our School's academic, athletic, arts and community service programs are as strong as we've experienced. Relationships, which are so important to us, continue to be a foundational element within our School community. We visit campus regularly and see smiling faces and lively interactions among people of all ages.*

There is so much good happening here, and we ask you to support Collegiate by considering a gift to the Annual Fund. Historically, alumni support of the Annual Fund has been wonderful, and we hope to expand that participation this year by engaging even more of you.

On behalf of the students, faculty and staff, we thank you for your support in helping the School and its people continue to thrive.
