MT. BETHEL

2020-2021 ANNUAL REPORT

For the Spirit God gave us does not
make us timid, but **gives us power,
love, and self-discipline.**

2 Timothy 1:7

BOLD FOR OUR STUDENTS

Greetings,

MBCA families and friends,

Zucchini and yellow squash have been in season, and it was a special treat when a gardener friend of mine shared a bag of fresh produce. As you may guess, I didn’t dig in right then; I went home and incorporated my vegetables into a dish. I sautéed them in olive oil, garlic, and seasonings, mixed in some diced tomatoes and onions—and scooped the caramelized goodness over rice. It made for a healthy, delicious dish that the entire family enjoyed.

Before you begin to think Mt. Bethel’s Annual Report has turned into a cooking publication, perhaps I should tell you that my little anecdote illustrates a point. Just as a delicious dish is a medley of varied flavors blended into one, so too is an educational experience. The MBCA mission that incorporates academic excellence, spiritual growth, and a lifelong love and desire for learning is a beautiful medley of individual components that produce a result that is more than the sum of its parts.

This annual report celebrates the unique and individual experiences of a Mt. Bethel education, and just as importantly, the people who make them possible. In this issue you will see highlights of student achievement, community support, hard work, and new ideas—all of which represent ingredients that come together to produce the result we call Christ-centered education.

My yellow squash would have been far less palatable if eaten alone, and it became much more inviting when paired with complementary ingredients. Similarly, Mt. Bethel Christian Academy is “both-and” that does not separate the individual components of intellect and faith. We blend academic excellence with spiritual growth, and do so in a way that fosters a lifelong love of learning. It reflects the development of the whole student. So, on behalf of the wonderfully talented faculty, staff, and leaders of MBCA whom I’m so privileged to partner with, we hope you enjoy this update!

Blessings,

Dr. Jim Cianca

Annual Fund Chair Letters

2020-2021

Dear Mt. Bethel family,

2020-2021 was a year of great change and uncertainty. We saw great political and social turmoil, complicated by a global pandemic which affected each and everyone one of us directly. But it was also a great opportunity for us to lean into our faith and put our trust in our Heavenly Father. While politicians and media talking heads spun endlessly about “trusting science” (as long as the science fit whichever idea the individual happened to be promoting) and schools across America opted to “wait and see” or mine deeply for new reserves of that famous “excess of caution,” we had the opportunity to obey our Saviour’s admonition in the 14th Chapter of the Book of John to “Let not (our) heart(s) be troubled, neither let (them) be afraid.” And boldly we obeyed—masks on, socially distanced, cloroxing and hand-sanitizing, to be sure—but we returned in faith and put the lie to the talking heads and doubters.

This certainly created added stress, and it seemed that August was an endless procession of amended procedures, modified guidance, and discovery learning. The faculty discovered and shared endless ways to wipe down twenty-some-odd desks in less than two minutes, pass out lunches in homerooms, and constantly distribute, redistribute, and cross level cleaning supplies—seemingly with no end in sight. But the depths of humor, goodwill, and love were bottomless as the teachers, paraprofessionals, staff, and administrators stepped up to the plate each and every day. And just like any good baseball player knows, it isn’t the home runs that carry the day, but the consistent singles and solid field play that get you to the pennant.

But there was, particularly from my perspective as the Annual Fund Faculty Chair, a grand slam when it came to giving. Now, full disclosure, I didn’t seek out this job. As we used to say in the Marine Corps, “I was volun-told.” I assumed it would be a massive chore to have to wrangle pledges from my colleagues, but I was shocked at how warmly my stress-addled and COVID-prevention fatigued fellow staff and faculty received my appeals and how generously they gave. Within the course of just a few days, we had met our goals for the year, and (as the famous philosopher Forrest Gump might say) just like that, my work was done.

I cannot express enough gratitude to the entire MBCA faculty team for making my job so easy. And I also can’t express well enough the impact that these contributions mean for our community. What I can do, though, is point to the obvious fact that we are all on board with providing a Christ-centered and rigorous education to our students. Whether teaching a class, providing loving support from the front office, coaching, cleaning, preparing meals, or any of the other myriad tasks needed to make our community come together—and that includes contributing to the fund that allows us to operate this truly remarkable community—I cannot overstate what our community means to me and my family.

Thank you and God bless you,

LtCol Jim Izen, USMC, ret.
2020-2021 Annual Fund Faculty Chair

Dear MBCA family,

In the midst of an unusual year, we continue to be in awe of God’s faithfulness over all, but especially over our sweet school. It has been an honor for our family to serve as your chairs for **Boldly Mt. Bethel: The 2020-2021 Annual Fund**. Thank you so much for your commitment to our school and your belief in the ministry it serves. We feel blessed to be among so many like-minded believers who make a God-centered education such a priority for their families. We are thankful to be part of a community that puts Jesus at the center of all it does.

The 2020-2021 school year, we feel certain, was unlike anything we have ever seen before. We are so thankful for Mt. Bethel Christian Academy’s forward thinking, excellent planning, and tremendous care that allowed us to complete the school year in person. Any unexpected roadblock was navigated with flexibility, understanding, and grace. Grace upon grace upon grace is commonplace at MBCA.

In 2020-2021, our administrators, faculty, and staff went above and beyond. From extra hours to extra patience, they continued to show up and exceed our expectations. Our children were loved, educated, and prepared for an unknown future.

The mission of Mt. Bethel Christian Academy is to provide a truly Christ-centered education for our children through an environment that develops and encourages academic excellence, spiritual growth, and a lifelong love and desire for learning. Our sweet school continues to go above and beyond, as evidenced through these challenging times.

As many of you know, our family has been blessed by adoption. And though the blessings are abundant, the process can be daunting and filled with challenges. A very common verse in the adoption community is Isaiah 40:31. “...but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.”

This past year has, to say the least, been filled with storms and challenges. We are so thankful to be a part of a school that not only stands beside us in those storms, but soars on the wings of eagles. Mt. Bethel is a special place where extraordinary people do extraordinary things in the name of an extraordinary Savior.

We are looking forward with excitement to all that God has in store for the 2021-2022 school year. We continue to pray with expectant hope for all of the abundant blessings God has in store for our school. We are faithful. God is able. It is all His economy, after all. He could do it without us, but He asks for our obedience. Thank you, from the bottom of our hearts, for your prayerful obedience.

Our family is so blessed to stand beside you. It’s an honor to partner with you, our fellow Academy families, to help provide the best God-centered education possible for our precious children.

Thank you so much for your support for **Boldly Mt. Bethel**. You made this possible!

Georgia 2021 GOAL Donors

Every year, Mt. Bethel Christian Academy partners with Georgia GOAL, a Student Scholarship Organization (SSO) created through the Georgia Private School Tax Credit Program. GOAL provides funding for qualified students in need of tuition assistance when Georgia taxpayers redirect their state income tax to MBCA and furthers MBCA's ability to fulfill its Christian mission. Specifically, GOAL funding is allocated for deserving, public school students who are new to Mt. Bethel.

**Thank you to the
individuals listed for
bringing \$278,175 in
scholarship money
to MBCA. During this
most challenging year,
these funds proved more
critical than ever as
we welcomed a record
number of new students
to the Academy.**

Tuition Assistance is of great importance to us. As an increased number of families in our community seek assistance, these dollars are a critical component of the Academy's life-changing tuition-assistance initiatives.

God calls us to be bold. **And there was never a year where boldness was needed more.**

Director’s Letter

To our faithful community . . .

Over the past twelve months, MBCA families, faculty, staff, and friends have shown overwhelming support for the mission and vision of this wonderful school. During a year that brought challenges to us—and the world at large—we were inspired by the commitment to our beloved Academy from so many. Thank you.

I’m so proud to share this Annual Report with you. The Annual Fund campaign for 2020-2021, **Boldly Mt. Bethel**, helped us secure the resources and flexibility we needed during a year of unknowns. We chose the name **Boldly Mt. Bethel** for one simple reason: God calls us to be bold. And there was never a year where boldness was needed more.

With a pandemic, more new families than ever before, not-yet tested virtual Alternative Learning Plan technology, no campus visitors or beloved events like Grandparents Day, and an ever-changing educational landscape, we were not sure what to expect. Would support remain even though so much had changed? Well, amazing things happen in this place where Christ is honored. And as it turned out, the most important things did not change. Students were loved well, learned well, and worshipped well.

Leading our campaign were three very special people. I’d like to thank Julie and Russ Hedden, family chairs, and Jim Izen, faculty chair, for blessing MBCA with remarkable devotion and enthusiasm. Our relationships with others are not random; they are God-given, and I am so grateful that He brought us the Hedden and Izen families. Thank you, Julie, Russ, and Jim, for serving the Academy and its students in such a powerful way. I count my work alongside each of you to advance the mission of the Academy among my greatest blessings.

I also want to thank Lee Mallon for all that she pours into the Annual Fund each year. Lee is an alumni parent and a longtime employee, and she encourages me daily by showing that it doesn’t matter how long you’ve been a part of the Academy, you can always find new ways to love and serve its people. She is a treasure!

I hope you take time to read about a truly unique year in the Academy’s history and to celebrate the overwhelming generosity of our community. The names listed on the 2020-2021 Honor Roll of Donors belong to people making a difference today and in years to come. Your giving is a huge part of the MBCA difference, strengthening the value of an MBCA education and honoring the legacy of students educated here since 1998.

Thank you for being **BOLD** with us!

Blessings,

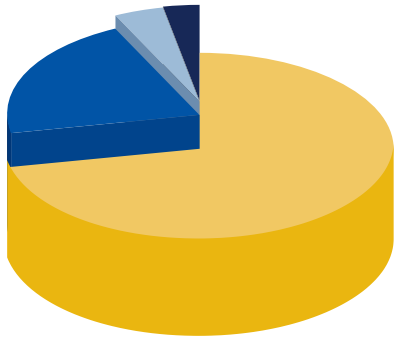

Alison Stephens

2021 *the Year of the Female Athlete*

On May 6, 2021, two MBCA seniors and their families were honored at the Upper School with an outdoor Signing Day Ceremony celebrating their commitments to continuing their athletic careers at the next level. Congratulations to Allie McCray, who will play tennis at the University of Missouri, and to Olivia Bechtel, who will continue her swimming career at Piedmont University. Additional congratulations are owed to Allie and Olivia for becoming MBCA's first female student athletes to go on to play collegiate sports, and for being the Academy's first swim and tennis athletes to play at the next level. Overall, they are MBCA's eleventh and twelfth student athletes to play collegiate sports. We are so proud of you, Allie and Olivia! Eagle Nation is cheering you on—always.

Not only are Allie and Olivia dedicated athletes, they are both model students who graduated with honors, and most importantly, **they are young ladies who strive to follow Jesus with their whole heart.**

—Bob Montague, Upper School Head

Allie and Olivia are true Mt. Bethel student athletes who embody the core beliefs of academic excellence and spiritual growth, and are life-long learners. While at Mt. Bethel, Allie and Olivia excelled in the classroom and on the playing surface. We are excited for the opportunities they both have to continue their academic and athletic careers at the collegiate level.

—Cal Boyd, Athletic Director

2021 also brought MBCA its first female State Champion! Congratulations to Hampton Gucky for persevering during what was certainly a challenging year for all student athletes. Hampton is the 2020-2021 GISA Class A 100M Backstroke State Champion! Hampton's long hours in the pool and incomparable work ethic earned her a time of 56.02 and some snazzy new jewelry. Hampton was surprised by Coach Boyd on the first day of her senior year with a ring presentation ceremony. We are excited to see what Hampton will accomplish in the pool for the 2021-2022 swim season!

Inaugural Eagle Open

The MBCA Athletic Association was overwhelmed by the support shown by the Mt. Bethel community for the first Annual Eagle Open Golf Tournament held October 26 at Indian Hills Country Club.

“Thanks to the effort of our volunteers, we have been blessed with a tremendous show of support and a successful inaugural tournament. **Thank you, all!**”

With a little more than just thirty days to identify a course, plan a tournament, and find participants and sponsors, there was concern that we had “bitten off more than we could chew,” said Cal Boyd, Athletic Director, speaking to the challenges of event planning during a pandemic. “Thanks to the effort of our volunteers, led by Tournament Chair Gerard White, we have been blessed with a tremendous show of support and a successful inaugural tournament. Thank you, all!”

One hundred golfers, 16 sponsors, and a handful of volunteers took part in the inaugural event, which netted \$9,000 for the Athletic Association to support the Academy's student athletes. Plans were quickly made for a second event in 2021.

The Open was played in a scramble format, with fun opportunities to buy mulligans and even a chance to win a brand new Jeep Gladiator with a hole-in-one on hole #9. Sadly, no Eagles drove home in a new ride that day. Still, it was a perfect fall day of golf for a great cause. Go Eagles!

Doing Good Together

Last April, the MBCA community participated in Parent Council's 2021 *Spring Fling Virtual Auction: Do Good Together* in support of the Academy. The funds raised from this annual event support facilities and programs for every student in JK-twelfth grades.

Leading the 2021 auction was Parent Council's Ways & Means Chairs **Jill Cardinell** and **Allison Corcoran**. They were supported by past Chairs **Megan Becker** and **Gigi Fischer**, and incoming Chair-Elect **Lauren Cleveland**. The tremendous amount of work that goes into producing this event each year is well hidden. Behind the scenes, these women pour everything they have into creating a successful experience that raises significant funds to make MBCA a better place for your children.

Thank you, Jill, Allison, Megan, Gigi, and Lauren for pulling off the most successful Spring Fling in MBCA history! And, a huge thank you to all of you who "did good together" with donations, sponsorships, and bidding, raising **more than \$115,000** for MBCA!

Highlights from the 2021 Spring Fling Virtual Auction:

- **336 registered bidders placed 1,984 bids.** Bidders included current parents, grandparents, alumni families, and a few friends outside of the Academy.
- **The tuition freeze sold for \$23,500,** a new record high!
- **Teacher outings combined for more than \$22,000,** with second grade's Braves outing leading the way at \$5,975.

- **Instabuy purchases** such as the Wine Pull and Dress Down Days totaled **\$7,125.**
- **MBCA experiences generated \$11,575.** During the last weeks of the school year, special guests served as Principal for the Day, Safety Patrol officers, Eddie the Eagle, and more. The MBCA Social Media Takeover Experience led to a day of celebration for the Pets of MBCA Carpool. Rylie Fischer '29 and her friends did a great job handing out treats and capturing priceless photos from the pet-friendly carpool to share on the Academy's social media accounts.

Thank you to everyone who supported the 2021 Spring Fling! Woof!

alumni, or friend, The Perch has a wide variety of items to suit every need. Since the pop-up days, Perch merchandise has expanded to include socks, jackets, water bottles, jewelry, stuffed eagles, hats, pajamas, and limited uniform pieces.

"I'm always looking for inspiration," said Ragan. "The designs are collaborative, and my girls and I look around when we're at sporting events and traveling to see what would be a good fit for The Perch."

You may reach The Perch at mbcaperch@mtbethelchristian.org.

20,000 Meals on Wheels

Along with so many other things, lunch service at the Academy's two campuses was modified in 2020-2021 to guard against the spread of germs and to minimize gatherings.

At the Upper School, an additional lunch period was added and some chairs were removed from the tables so that fewer students could congregate at a time in the cafeteria. Outdoor eating at the picnic tables was encouraged, and ChefAdvantage, the vendor used to provide onsite dining services to the Upper School students and faculty, added employees to serve the food to students instead of the self-serve method used previously.

At the Lower & Middle Schools Campus, students were fed a pre-selected meal in their classrooms each day. Cathy Cunha, Director of Food Service at Mt. Bethel UMC, oversaw the massive production of preparing

and delivering almost 500 individually-boxed meals to the Academy.

"In July, we started with ZOOM meetings," said Cathy, who credited the technology team at the Church with bringing to life her vision for the electronic forms parents needed to fill out each month with their student's lunch selections. "We were skeptical. It was all trial and error, but eventually we developed best practices."

In addition to a daily hot lunch and cold sandwich offering, Cathy and her team developed a menu with salads, dairy-free, and gluten-free offerings. And, to feed Academy and Church staff, they created about 40 boxed salad, sandwich, rice bowl, and wrap offerings each day, plus a hot soup every Tuesday.

"That was so much fun," said Cathy. "Nancy Neal and I would come in every morning at 5:30 to design

and build those box lunches." Helping Cathy each day were employees Nancy Neal, Lorena Martinez, Eduardo Castillo, and volunteers Barbara Lester and Donnis Hoekstra.

"They are wonderful people, they love the kids, do anything asked of them at a moment's notice, and are just great to work with," said Cathy. "I am so proud to call them my staff." Once the meals were prepared and packaged, Academy employees Tricia Briggs and Heather Wise, with assistance from MB Recreation's Brian Bergius, delivered them to the classrooms. The maintenance team worked quickly to clear the trash once lunch was over.

"We've all learned so much about flexibility and gratitude. Many parents reached out to thank us, and everyone all the way down the line was just fantastic," said Cathy. "But we're so excited to see the kids again this year!"

The Perch

Get your merch' at The Perch! MBCA's campus store, which opened in August 2020, is the official spot for all your P.E. uniforms, chapel ties, and MBCA spirit wear needs.

A school spirit store had long been a wish-list item for the Academy. In 2018 and 2019, a core group of MBCA moms ran a spirit pop-up shop featuring t-shirts and sweatshirts, which paved the way for the creation of The Perch when space became available. Academy parent Ragan Weeks has taken on the role of heading up The Perch with help from a few more dedicated volunteers.

"I love meeting new families, and The Perch is a great place for that," said Ragan. Last year, when campus visitors were extremely limited, The Perch was one of the few places where parents could have a presence on campus.

"The response to The Perch is still super positive," said Ragan. The kids are so cute when they come in with their Perch Bucks." Perch Bucks are gift certificates given to lower and middle school students on their birthdays.

Conveniently located next to DeVore Hall in the gymnasium building on the Lower & Middle Schools Campus, the Perch is open twice a week. Whether you are a current student, parent,

Matching Gifts 2020-2021

Corporations across the country are helping Mt. Bethel Christian Academy make a significant and lasting impact on educational outcomes for our students through their participation in matching gift programs.

Many businesses offer matching gift programs that match a portion or the full amount of a gift made to Mt. Bethel Christian Academy by their employees, employee's spouses, and retirees.

Please contact Lee Mallon in the Development Office with any questions about securing a matching gift, or visit the Matching Gifts section of our website at www.mtbethelchristian.org/giving/matching-gifts.

Thank you to the following companies who furthered the power of gifts made to the 2020-2021 Annual Fund Campaign for Mt. Bethel Christian Academy.

Giving levels at Mt. Bethel Christian Academy are calculated annually (July 1 through June 30) based on annual fund gifts to the Academy. Donors are recognized annually on our Honor Roll of Donors in the appropriate giving level. Corporate matching gifts are encouraged and will count toward giving levels.

Lower School Principal's Honor Roll recognizes students who have earned all As for the year in all academic subjects.

Lower School Honor Roll recognizes students who have earned all As and no more than four Bs for the year in all academic subjects.

Middle School Student of the Year

Evie Hanover '25

Our Student of the Year is presented to **the 8th grade student who exemplifies the highest standards of excellence in spirituality, athletics, fine arts, leadership, and academics** and is chosen by the middle school faculty each year.

Middle School students achieving Honor Roll status are recognized at the end of each semester. Students are recognized on **Principal's Honor Roll for maintaining a 95.5% or higher numeric average.** Students recognized on **Honor Roll maintained a 91.5 to 95.49% numeric average.** Averages are calculated each semester with core classes weighted at 100% and non-core classes weighted at 50%.

National Honor Society

NHS elevates the school's commitment to the values of **scholarship, service, leadership, and character.**

National Honor Society Pledge

I pledge to uphold the high purposes of the National Honor Society to which I have been selected; I will be true to the principles for which it stands; I will be loyal to my school; and will maintain and encourage high standards of scholarship, leadership, service, and character.
