KEEP YOUR KNOX STAR SHINING

Knox Stars are alumni who have given to the College every year since their graduation. Only a select group of Knox alumni have Stars next to their names—in fact, some Knox Stars have been giving for more than 50 years now! You still have a chance to earn your Star and to support Knox! However, time is running out.

Please **make a gift of any size** by midnight on Friday, December 31, and a **second gift of any size** before June 30, 2022, and you will be on your way to being a Knox Star for years to come!

Giving back to Knox your first few years after graduation is not always easy. After all, you graduated in the midst of a global pandemic and may wonder if your gift even has an impact. It does! Every gift is appreciated and important. Together you can impact the lives of Knox students in a real way!

I have had a Knox Star by my name for 15 years. Giving back to Knox is important to me because it was, and still is, our Knox. I graduated in the midst of a financial crisis, but made it a priority to give back. I want future generations to have access to the same incredible education and experiences I did!
